Summary

Experienced professional with a demonstrated history of client facing work and completing team projects. I work for Maricopa County Environmental Services in the Aquatic Health & Safety Department. I'm a Junior Web Developer with a Bachelors of Science (B.S) in Biological Sciences. 2+ years of JavaScript experience. I recently earned a Full Stack Web Development certificate from the University of Arizona. Main focus is MERN (MongoDB, Express, React, Node) stack for server side development.
